SITE HOST NAME: _____

SRP REGISTRATION #: _____

E. SYSTEM COST INFORMATION

Total Installed System Cost:

\$

(Eligible installed system cost includes all equipment, installation and applicable interconnection costs)

Registrants must supply cost information that is accurate and current as of the registration date. SRP Registrations will not be processed without system cost information. Cost can be submitted for protection under OPRA by following the Board's procedures found at www.nj.gov/bpu.

F. CERTIFICATION (SIGNATURES REQUIRED)

The undersigned by signing below attest to the accuracy and completeness of the above and any information provided with this submittal. If the SRP Processing Team determines through an evaluation process of either on-site verification or audit that the system has been misrepresented or that the paper work submittal is found to have violated program procedures then the contractor may be subject to corrective action as described in the Contractor Remediation Procedures specified in the Board Order dated October 15, 2010, Docket no. E007030203.

The signature for the installer shall be an Officer, Principle or Executive of the company that has signing authority for the company.
