

EZ Roof Mount™

for Shingle Roofs

MOUNTING MADE EASY

Patent #: US 8122648B

EZ Roof Mount

... Save time, hassle, and callbacks by using EZ Roof Mounts for any composite shingle/cedar shake roof!

Versatile aluminum base for multiple configurations.

Raised flashing designed to divert water flow.

Various standoffs available for easy adjustment.

Features & Benefits

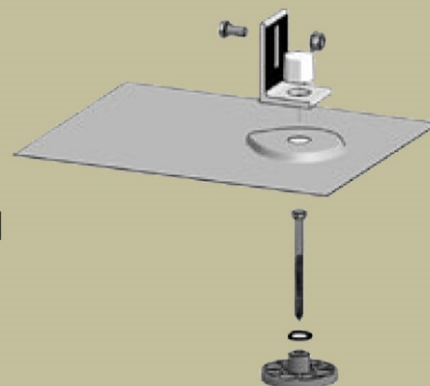

Leak-proof engineering and design with sealing point protected from elements.

Versatile mounting options including direct-to-decking for easy and quick installation.

Durable aluminum anodized finish provides exceptional resistance to corrosion and wear.

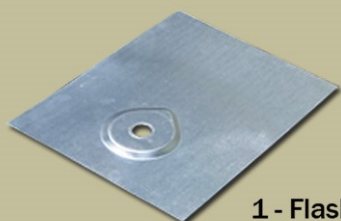

Performed flawlessly in major storm conditions.

IAPMO certified for waterproofing and structural integrity

K10068-001 Patent #: US 8122648B

All kits come complete with the following parts:

1 - Flashing
Part# A20052-001

1 - Al Shoe
Part# A20065-001

1 - Hex Cap
Part# A20066-001

1 - EZ L Foot
Part# A20064-001

1 - Lag Bolt SS 5/16 x 4
Part# B15015-002

1 - Bolt 3/8 - 16 x 3/4"
1 - Flange Nut 3/8"
